- Production: 2.500 bottles of 75 cl and 416 of 1,5L
- Bottling date: may 2021
- Alcohol content: 14.5%

TASTING NOTES

👁 Intense red with some brick red hues.

👃 Complex and very complete on the nose, revealing an elegant fruity bouquet of berries and ripe fruits with a high intensity of ageing sensations (spices, balsamic, chocolates).

🍷 On the palate it is broad, powerful and with great volume, soft and round tannins that give a quick and highly aromatic aftertaste sensation.

IDEAL STORAGE AND SERVING TEMPERATURE:

Serving Temperature: 16-17 °C

20 years potential storage in optimal conditions of 13-14 °C and 60% relative humidity, without temperature fluctuations.

VINTAGE 2018

The winter was cold, temperatures reached 12 Celsius degrees below zero. Temperatures kept cold in February and March. Winter ended with lots of rain and the spring was also rainy. The bud breaking started in late April.

Heavy rain stopped at the end of June and temperatures started to go up. The weather conditions were ideal for a generous harvest. In July, temperatures were lower than normal that is why the vines followed a fast growing. It was also helped by abundant water reserves. In September temperatures were warm and in October were higher than normal because of that the vines with less bunches ripened fast. The berries size was bigger than normal.

Harvest started October 8th and finished October 22th and vintage 2018 was rated as VERY GOOD by Ribera del Duero Regulatory Council.
